## Tell your story!

We are looking forward to **all** stories – regardless of length or language, whether grammatically correct or not. For example, you can write about why and how you got to Marzahn-Hellersdorf, what do you associate with the district and what it has been like living here or what makes the district special?! You could also talk about your personal wishes and any suggestions you may have for Marzahn-Hellersdorf.

## Why?

With the help of your story we can make a difference: we can start learning how to better understand each other and grow together as a community, one step at a time. Get on board and help initiate a JOINT TOGETHERNESS in Marzahn-Hellersdorf.
